2.2 GOLD MEDALS & RANKS:

Academic achievements

We are aware of the fact that education plays a remarkable role in shaping one's life. In understanding this factor, we adopt various teaching methodologies to groom our students. At the same time, we take conscious efforts to make them industry ready by improving upon their soft skills. I am proud of the fact that a large number of students expanded their horizons by attending webinars, seminars, workshops and quiz. We are good at adopting peer learning method of teaching and vigorous coaching. Conducting test is really useful for students. To hone up their academic competence in the University examination, we conduct a series of remedial coaching classes in the interest of our students. It gives me a great pleasure to state that enrichment classes are also conducted for the sake of meritorious students to make them as a university Gold medalist /Rank holders.
