A pleasant good evening to one and all!

I stand before you to extend a warm welcome to our Most Respected, **Chairman Thiru. K.P. Ramaswamy, VANETRA Muthayammal Institutions!** Respected **Treasurer Tmt. Sulochana Ramaswamy!** Dynamic **Secretary Mr. Muthuvel Ramaswamy!** Respected, **Executive Director Tmt. Manju Muthuvel!** **Director-Academics Dr.R. Selvakumaran,** Learned Colleagues! Non-teaching staff members! Invited dignitaries! Parents! Well-wishers! Beloved students of this elite institution! Technicians! Press and Media Personnel! Ladies and Gentlemen!

I am happy to welcome you all on the special occasion of 28<sup>th</sup> Annual Day Celebration. The College Annual Day is the crowning glory of the academic year. It is an important day not only for staff members but also for students, Alumni, Parents, Guests and non teaching fraternity. It is important to remember that The Covid 19 pandemic has created a perennial impact on all walks of life. The whole world suffered a lot because of Covid-19. In such a scenario, our management shows its munificent gesture in rendering a great service to the society. Be it in present or past times, our management invariably exhibits its philanthropic attitude towards the people. As of now, the college enjoys an “A” Grade status by NAAC. It is to be noted that the college was accorded Autonomous Status in 2021 by UGC.

It is a moment of happiness to tell you a brief history of the college. Our college was bloomed in the year 1994. It offered five Undergraduate Degree courses with 83 students and a handful of the teaching fraternity. Currently, there is a gradual improvement in terms of strength. The total number of teachings on the roll is 232 (including ML: 29 Staff Members) and the Non-Teaching staff members are 29 in number. The college shows a gradual upward movement in terms of Admission. The number has by and large augmented (**Total Strength: 4168** (UG-3661; PG-483 & Research Scholars: 24)

I take much delight in expressing my gratitude to all our teachers who have worked round the clock to improve upon the standard of the college. Though our college is situated in a barren terrain backward area, it attracts the attention of stakeholders. It is of interest to note that students from foreign countries evinced a special interest in continuing their studies in our college.

We offer a lot of programmes in the domain of Arts, Science and Commerce at both Under Graduate and Post Graduate level. Today, 17 Degree courses at the Under

Graduate level and 13 at Post Graduate level are offered to our students. In addition to these courses, we are genuinely interested in developing the culture of research in the Departments of Biochemistry, Microbiology, Biotechnology, Commerce, Physics, Computer Science and Chemistry. Interestingly enough, the College opens various Alumni chapters in Salem, Chennai, Bangalore and Bhutan.

I am extremely happy to present you the Annual Report, brimming with triumphs of the teaching fraternity and the students' community during the Academic year 2021-2022.

**Academic achievements**

We are aware of the fact that education plays a remarkable role in shaping one's life. In understanding this factor, we adopt various teaching methodologies to groom our students. At the same time, we take conscious efforts to make them industry ready by improving upon their soft skills. I am proud of the fact that a large number of students expanded their horizons by attending webinars, seminars, workshops and quiz. We are good at adopting peer learning method of teaching and vigorous coaching. Conducting test is really useful for students. To hone up their academic competence in the University examination, we conduct a series of remedial coaching classes in the interest of our students. It gives me a great pleasure to state that enrichment classes are also conducted for the sake of meritorious students to make them as a university Gold medalist /Rank holders.

In the April/May 2021, University examination, **four of our students** got university first ranks for which the university honored them with a gold medal during the convocation of Periyar University, Salem. Our students secured 15 University Ranks. While appreciating the academic caliber of these Students, I congratulate our competent teachers who have taken special efforts in drilling these students.

I am happy to announce that our college has bagged gold medals in the galaxy of the colleges which are affiliated to Periyar University. The details are listed below.

### Teachers Performance

Discipline is sure fire to success. Since our college is primarily known for discipline, the college attaches much more importance to discipline. Henceforth, the management and the staff members have a hawk eye on discipline and quality of education. It is for this reasonable reason that urges parents to particularly select this college. We make it a point to live up to their parent's expectations. Interestingly enough, our teachers have shown their academic caliber in producing 100% in the subjects they handled.

Our Students Performance in Apr/May 2021 Periyar University Theory Examinations in UG Level 100% and PG Level 100%. In Jan 2022 Periyar University Theory Examinations in UG Level 100% and PG Level 100%.

I am proud to tell you that after getting Autonomous status of our college, we conducted Autonomous Examinations-Jan 2022 in a successful manner. From these, examinations, we produced Results at the UG Level 99.28% and PG Level 100%. In this regard, I congratulate the Controller of Examinations & Deputy controller and their team.
