

11483, MUTHAYAMMAL COLLEGE OF ARTS AND SCIENCE, RASIPURAM
ANTI-DRUGS CLUB – SEPTEMBER MONTH REPORT 2025-2026

PRINCIPAL : Dr.S.P.VIJEIKUMAR

1.Anti-Drug Awareness Quiz Challenge

1. Title of the Event: Anti-Drug Awareness Quiz Challenge

2. Date: 18.09.2025

3. Venue: Class rooms, MCAS

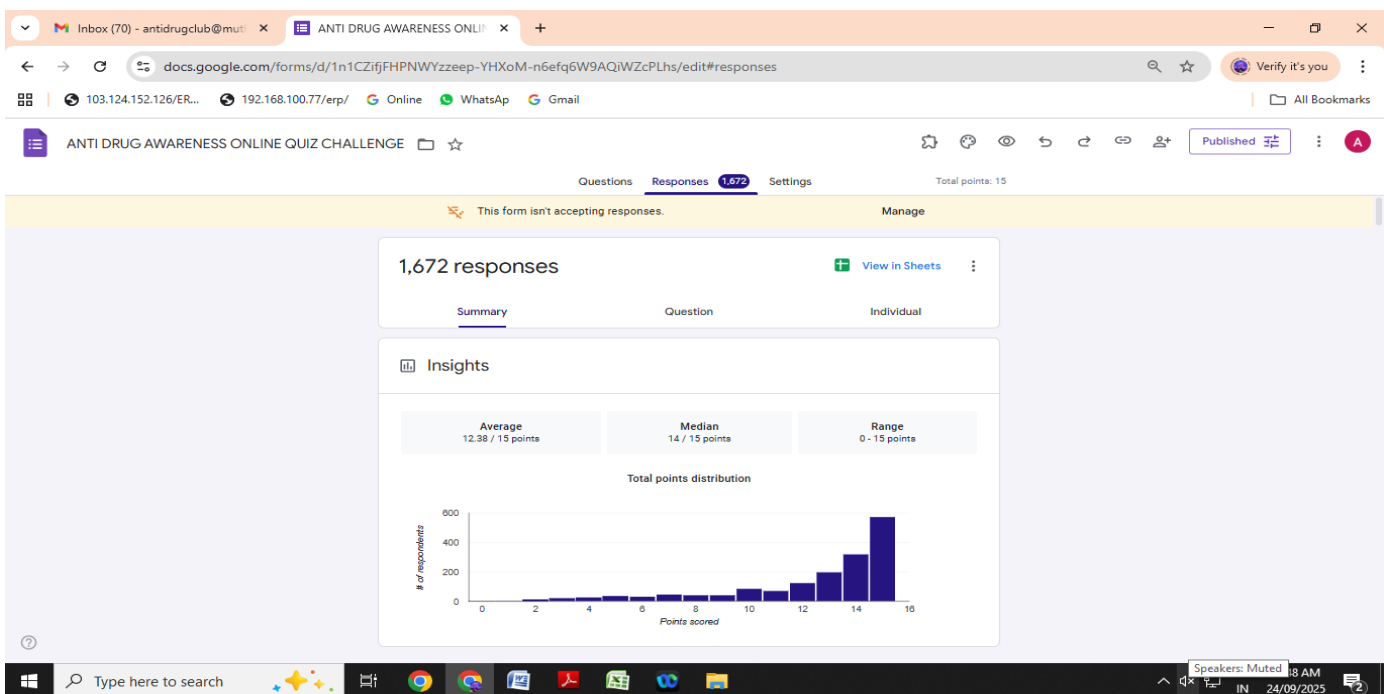

4. No. of Participants: 1672

5. About Event:

The event was a significant success, largely due to the well-planned and efficient execution by the Anti-Drug Club and NSS volunteers.

- **Total Participation:** A total of **1672 students** from various classes enthusiastically participated in the challenge. This impressive turnout highlights the students' keen interest in the subject and the effectiveness of the volunteers' direct outreach.
- **Quiz Format:** The quiz consisted of **15 questions** designed to be concise yet highly informative. Questions covered a range of topics, including the different types of narcotics, their health consequences, the legal framework surrounding drug abuse, and the importance of saying no to peer pressure. The brief format ensured that the quiz could be completed within a classroom session without disrupting the regular academic schedule.
- **Conducted by Anti-Drug Club and NSS Volunteers:** The volunteers from both the Anti-Drug Club and NSS took on the responsibility of conducting the program in the classrooms. Their duties included introducing the topic, explaining the quiz rules, administering the questions, and compiling the scores. Their direct interaction with their peers made the event more relatable and impactful, as students were more likely to be open and receptive to the information from their fellow students.

6. Highlighted Photos:

7. Student Feedback:

The initiative was met with positive feedback from both students and faculty, who praised the volunteers for their dedication and the innovative approach to tackling a serious social issue.

2. A Fire Safety Awareness Program

1. **Title of the Event:** A Fire and Flood Safety Awareness Program

2. **Date:** 18.09.2025

3. **Venue:** MCAS

4. **No. of Participants:** 1100

5. **Resource Person:** 1. Mr. V. Palagaraswamy (Fire Officer)

2. Mr. K. Elumalai (SSO)

6. **About Event:**

- **Fire Safety:** Elaborate on the key points presented. For example, mention the demonstration of different types of fire extinguishers (water, CO2, foam), the importance of having an evacuation plan, and the "stop, drop, and roll" technique.
- **Flood Safety:** Detail the information shared. This might include a discussion on how to create a family disaster plan, the contents of a survival kit, and the dangers of walking or driving through floodwaters. Mention any specific, memorable advice given by the speakers, such as the phrase "Turn Around, Don't Drown!"
- **Practical Demonstrations:** Describe the mock drills or practical sessions in detail. Explain what was demonstrated and how the participants were involved. This section adds significant value to the report, as it shows that the program went beyond theory.

7. **Highlighted Photos:**

8. Student Feedback:

- **Positive Reception:** The program was well-received by the students.
- **Interactive and Practical:** The hands-on sessions (mock drills, extinguisher training) were the most impactful and highly appreciated.
- **Enhanced Understanding:** Students found the content easy to understand and directly applicable to real-life situations.
- **Increased Confidence:** The program helped students feel more prepared and less panicked about potential fire and flood emergencies.
- **Relevance:** Students recognized the importance of the knowledge gained for their personal and family safety.

3. Antidrug Awareness and Pamphlet Distribution Campaign

1. Title of the Event: Antidrug Awareness and Pamphlet Distribution Campaign

2. Date: 20.09.2025

3. Venue: Rasipuram-Bus Stand, Auto Stand, and Nearby Shops

4. No. of Participants: 20 NSS volunteers

5. Organized by: NSS Unit & Antidrug Club, Muthayammal College of Arts and Science ,Rasipuram.

6. About Event:

- The NSS Unit and Antidrug Club of Muthayammal College of Arts and Science ,Rasipuram jointly organized an *Antidrug Awareness and Pamphlet Distribution Campaign* to educate the public about the harmful effects of drug abuse and to promote the Drug-Free Tamil Nadu initiative.

As part of the program, NSS volunteers actively participated in distributing awareness pamphlets at the bus stand, auto stand, and nearby shops. The pamphlets contained information on the ill effects of drug use, the Drug-Free Tamil Nadu Mobile App, and the Helpline/Complaint Number (10581) for reporting drug-related activities.

Volunteers interacted with auto drivers, shop owners, and the general public, explaining how to use the Drug-Free Tamil Nadu App to register complaints confidentially:

1. Download the *Drug-Free Tamil Nadu* app from the Google Play Store.
2. Open the app and select "Report Complaint."
3. Enter details of the incident or suspected activity.
4. Upload photos or videos (optional).
5. Submit the complaint – it will be sent directly to the concerned authorities for further action.

The volunteers also encouraged the public to share this information and to support the mission of creating a drug-free community.

7. Highlighted Photos:

8. Student Feedback:

The students expressed that the campaign was a valuable learning experience, helping them understand the importance of social responsibility and community engagement. They felt proud to contribute to the **Drug-Free Tamil Nadu movement** and were motivated to continue spreading awareness among their peers and society.

3. *Managing Teenage Life Overcoming Digital Addiction and Drug Abuse*

1. Title of the Event: *Managing Teenage Life Overcoming Digital Addiction and Drug Abuse*

2. Date: 30.09.2025

3. Venue: B-Block Mini seminar Hall

4. No. of Participants: 110

5. Organized by: Anti-Drugs Club and Women's development cell ,

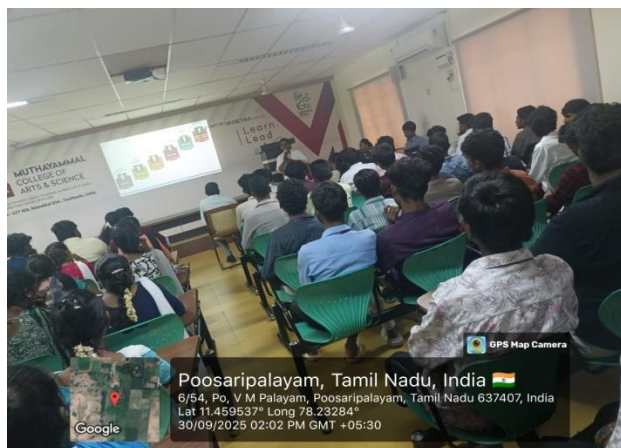

Muthayammal College of Arts and Science ,Rasipuram.

6. About Event:

Both speakers delivered comprehensive and insightful sessions. **Dr. Indhumathi** highlighted the psychological and physiological impacts of drug abuse and explained how early intervention can prevent long-term consequences. She also discussed the social, academic, and familial challenges faced by adolescents due to substance abuse. **Ms. Archana** focused on the growing concern of **digital addiction**, explaining its effects on mental health, sleep patterns, and interpersonal relationships. She provided practical strategies for managing screen time, improving focus, and maintaining a healthy digital balance.

The program was designed to be **highly interactive**, with students encouraged to ask questions, share experiences, and participate in discussions. The speakers used real-life examples, case studies, and practical exercises to ensure students could relate to the content and apply the strategies in their own lives.

7. Highlighted Photos:

8. Student Feedback:

Students found the session **informative and motivating**, gaining practical tips to manage stress, screen time, and avoid drug abuse. They felt encouraged to adopt **healthier habits** and make responsible choices.
