SUMMER INTERNSHIP PROGRAMME

On 04.07.2024, department of Biotechnology conducted a Summer Internship programme on Agricultural and Environmental Biotechnology, Molecular Techniques and Plant Tissue Culture.

150 students from various colleges in Namakkal district participated in the programme. The certificate was distributed by Principal, Dr.S.P.Vijeikumar, Muthayammal College of Arts and Science, Rasipuram.

INTER-DEPARTMENT ACTIVITY

Department of Biotechnology conducted Inter-Department activity on 09.07.2024.

Students of Biochemistry learned about electrophoresis techniques- electrophoresis gel, load the samples, and run the electrophoresis.

They also learned about how to analyze the results of the electrophoresis.

INTER-DEPARTMENT ACTIVITY

Department of Biotechnology conducted Inter-Department activity on 20.07.2024 at the Biotechnology laboratory.

Students of Microbiology learned about Plant Tissue Culture techniques. The students were able to complete the techniques and produce plantlets.

They learned the basic principles of plant tissue culture and its applications.

ALUMNI INTERACTION PROGRAMME

Department of Biotechnology conducted the Alumni Interaction programme on 22nd July 2024.

Mr. Navin Raja Perumal, an alumnus of the department 2009-2012 batch, currently a Business & Management student in the UK and is also a successful entrepreneur.

He threw light on the importance of higher studies and how it could help students achieve their goals. He shared his insights on the job opportunities in the UK.

FRESHER'S DAY

Department of Biotechnology conducted Fresher's Day on 26.07.2024. Dr. S. P. Vijeikumar, Principal, presided over the event.

He emphasised on the importance of Biotechnology and its scope in the future.

Dr. P. Selvamaleeswaran, Head of the Department of Biotechnology hinted about the new opportunities in Biotechnology and its rapid growth. He also spoke about the various career options available in biotechnology.

GUEST LECTURE

On 26.07.2024, department of Biotechnology conducted a guest lecture on thesis and research paper writing at the Global Scientific Solution in Malasamudram, Namakkal.

The lecture was conducted by Dr. S. Rajasekar, Associate Professor, Department of Biotechnology, Thiruvalluvar University, Vellore spoke about the importance of thesis and research paper writing, and provided tips on how to write a well-structured and informative paper. He also discussed the different types of research papers, and the different stages involved in writing a thesis.

MENTORING PROGRAMME

On 30.07.2024, department of Biotechnology organized a mentoring program.

The mentors paved some guidelines to the mentees to pick up momentum in studies.

Department of Biochemistry

BLOOD GROUPING CAMP

On 20.07.2024, department of Biochemistry conducted Blood grouping camp for the 35 students from I B.Sc Computer Science.

FRESHERS' DAY

On 22.07.2024, department of Biochemistry conducted Fresher's Day, that was graced by Dr.M.Shabana Begum, Dean – Life Sciences.

She delivered an inspiring speech, encouraging students to actively engage in various subject-related activities.

TWO- DAY HEALTH CAMP

Department of Biochemistry conducted a two-day health camp for the first-year students on 24.07.2024 and 25.07.2024.

A total of 1038 students had received essential health services and check-ups. The event marked a significant step towards promoting student well-being and health awareness within the college community.

FIELD VISIT

On 30.07.2024, department of Biochemistry visited the Central Marine Fisheries Research Institute (CMFRI) in Rameswaram, 23 students and two faculty members participated. It provided a valuable opportunity for the students to learn about marine research and its applications in Biochemistry.

The faculty members guided the students through various research areas, enhancing their understanding of marine ecosystems and biotechnological advancements.

Department of Microbiology

INTER DEPARTMENTAL ACTIVITY

On 22.07.2024, department of Microbiology conducted the Inter departmental activity - Antibiotic Sensitivity test for potential pathogens.

26 students from II PG Biotechnology were gained the knowledge.

INTER DEPARTMENTAL ACTIVITY

On 23.07.2024, department of Microbiology conducted the Inter departmental activity on Antibiotic Sensitivity test for medically important bacteria.

25 students from II PG and III UG Biochemistry were gained the knowledge.

FRESHER'S DAY
