FIELD VISIT

On 03.01.2025, department of Microbiology organized a field visit to ICAR-CMFRI, Mandapam, Rameswaram. A total of 52 II UG Microbiology students, accompanied by 2 staff members, participated in the visit. The visit provided students with an excellent opportunity to gain hands-on knowledge about marine microbiology, environment and fisheries research. They explored various research facilities, observed ongoing projects and interacted with experts to understand the practical applications of microbiological principles in marine ecosystems.

EXTENSION ACTIVITY : ORPHANAGE HOME VISIT

On 24.01.2025, department of Microbiology conducted an extension activity at Saron Old Age Home in Namagiripettai.

A total 60 students and 3 staff members participated. Our students engaged with the residents, inquiring about their health and needs, and encouraged them through various activities.

They also contributed Rs. 8500/- towards new clothes, groceries, medicines, and household items for the residents.

FIELD VISIT

On 03.01.2025, department of Zoology students and faculty member observing wildlife at the Mysore Zoo, examining fossils, and learning to calculate their ages provided the students with hands-on experience in zoological studies.

Visiting iconic sites like Mysore Palace and Brindavan Gardens likely added cultural and aesthetic dimensions to their learning. Activities like these are instrumental in fostering curiosity about natural resources, ecological balance, and biodiversity conservation.

EXTENSION ACTIVITY

On 25.01.2025, department of Zoology has conducted an extension activity in Namagiripet, Rasipuram.

Part of this program, conducted a rally to give an awareness on “No plastic-Go green environment” as per our district collector instructions.

Department of Biotechnology

FARMING THE FUTURE: PROFITABLE MUSHROOM CULTIVATION

On 02.01.2025, department of Biotechnology, inaugurated the Three-Day Training Programme on “Farming the Future: Profitable Mushroom Cultivation”.

The programme was inaugurated by Dr.R.Chandrasekaran, Managing Director of CR Mushroom Farm and Labs, Vadugam, Rasipuram, and Dr.M.Shabana Begum, Dean of Life Sciences. This insightful training programme aims to equip participants with practical knowledge and skills in mushroom cultivation, fostering opportunities for sustainable and profitable farming practices.

FIELD VISIT

On 04.01.2025, department of Biotechnology concluded an exciting three-day Mushroom Training Programme for first-phase students.

The program included a field visit to CR Mushroom Farm and Labs, Vadugam, Rasipuram. Guided by Dr.R.Chandrasekaran, Managing Director of CR Mushroom Farm and Labs, 30 participants and 2 staff members gained hands-on experience in culture preparation, spawn preparation, and bed preparation, enhancing their expertise in mushroom cultivation.

PAPER PRESENTATION IN NATIONAL CONFERENCE

On 21.01.2025 and 22.01.2025, Ms.R.Nandhini, III B.Sc. Biotechnology student, has achieved remarkable success at the National Conference on Neoteric Advancements in Bioscience and Infectious Diseases, organized by the department of Microbiology and the Micro Missile Association.

She secured First Prize in Poster Presentation, First Prize in Paper Presentation, and Third Prize in the Quiz Competition 2025.

NATIONAL VOTERS' DAY

On 25.01.2025, National Voters Day competition was conducted by the Namakkal Collectorate, with participation from II UG Biotechnology students.

1. First Prize (English Essay Writing): V. Kiruthika, II B.Sc., BT.
2. Second Prize (Drawing Competition): K. Kiruthikasri (Rs. 1000 cash prize) II B.Sc., BT
3. Third Prize (Tamil Essay Writing): A. Mounika II B.Sc., BT.

The prizes were distributed by Dr. S. Uma, IAS, of Namakkal district.

MUSHROOM CULTIVATION TRAINING PROGRAMME

From 23.01.2025 to 25.01.2025, department of Biotechnology organized a three-day workshop on mushroom cultivation. The workshop saw the participation of 35 life science students (Batch I) from our college.

Dr.K.Revathi, Assistant Professor, Dept of Biotechnology, was the resource person, guiding the students through methods of mushroom cultivation, including culture inoculum preparation, bed preparation, and harvesting. Students actively participated in hands-on sessions.

FIELD VISIT

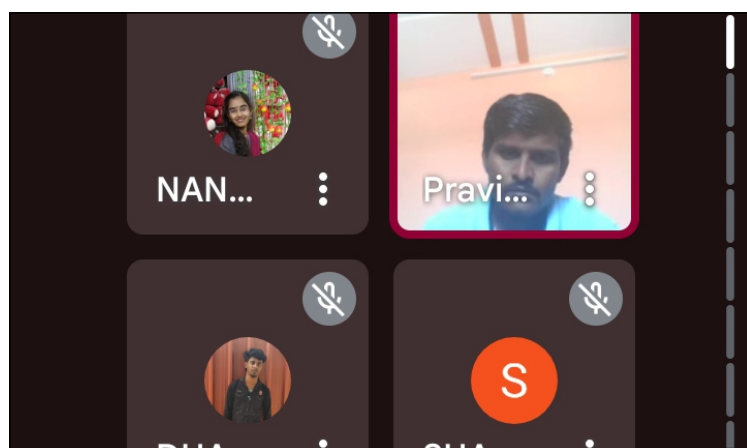

On 25.01.2025, department of Biotechnology organized a field visit, with 35 life science students (Batch I) from our college.

Dr.R.Chandrasekaran, Director of CR Mushroom Farms, conducted a detailed demonstration on mushroom cultivation and harvesting techniques. The visit aimed to promote entrepreneurship activities, providing students with valuable hands-on experience in the field.
